The Gospel and the World Engaging a World in Need of Good News presented by Dr. Phil Petersen

What is the Gospel and why is it so important in 2024? Our world is complicated and changing quickly - but people's needs have not changed since Jesus came into this world. People around us need the good news and love of Jesus now more than ever.

This course is designed to give you confidence in engaging in spiritual conversations with people today. We will discuss the universal needs all people have, and how to understand where people are in their own spiritual journeys. We will reflect on how to live out a faith that blesses people and how to address difficult cultural issues. We will look at best practices for reaching people with the gospel throughout history and what is happening around the world today.

Jesus said, "you will be my witnesses". Join us in understanding how to bring Jesus' good news to people around us today. This is a 12-week class that ends on May 5, 2024.

Grandparenting 101 Leaving a Multi-Generational Legacy presented by Dr. Jim & Shelley Nichols

Grandparenting is a privilege that many of us have or will have in the future. But, like so much of life, we haven't been trained to be a grandparent. This EQ class will look at what the Bible says about Grandparenting, the role of an intentional Christian grandparent, ways to reach the heart of your grandchild and some best practices of Christian grandparents. No matter where you fall...expectant grandparent, new grandparent or seasoned veteran, this EQ class will give you insights and ideas on how to engage this important role and leave a legacy for generations.

This is a six-week class that ends on March 17, 2024.

Classes start Sunday, February 11, at 9:15 am | Breakfast will be served at 8:45 am.

Art of Neighboring

presented by Pastor Jason Folkerts & Katy Eisfeld

When Jesus was asked to sum up everything into one command, he said to love God with everything we have and to love our neighbors as ourselves. Many Christians have turned this simple idea of loving our neighbors into a nice saying, putting it on bumper stickers, refrigerator magnets and memes - then going on with life without putting it into actual practice. What would happen if every follower of Jesus took to heart the command to truly love our neighbors? How would it affect the local church? This six-week class will remind us of who our neighbors are and how we can have a discipleship impact in a relational way with the people God has placed around us.

This is an interactive six-week class appropriate for families.

Classes start Sunday, March 24, at 9:15 am | Breakfast will be served at 8:45 am
