"I AM Compassionate"  
Luke 15:11-32

Questions for Thought:

1. Close your eyes. Imagine you are walking towards Jesus in humble repentance for a "prodigal" place in your life. What does his face reflect? What might He say to you?

What truths from scripture come to mind?

2. To what person or what group of people is it difficult for you to show compassion?
  - A. What is the person's/group of people's back story?
  - B. What about your anger and/or judgment makes sense and why? Close your eyes. What thoughts come up? What emotions? Then, imagine Jesus saying to you, "It makes sense you may think \_\_\_\_\_ and feel \_\_\_\_\_."
  - C. Now that you have received Jesus' compassion, how do you want to show up for this person or group of people? What does showing compassion to them look like? What might you say and/or do?
