Encountering the Resurrection and the Life

John 11:1-44

As we encounter who Jesus says He is, He reveals and meets our deepest needs.

- The Great I AM met Moses' self-doubts and empowered him for a mission (Ex. 3)
- Jesus is the Bread of Life who satisfies the deepest needs of our souls (Jn 6:25)
- Jesus is the Light to shine through a dark world of confusion, pain & suffering (Jn 8)
- Jesus is the Good Shepherd to lead, protect, provide, and guide us to a better life (Jn 10)

All we see is not how it was intended to be, nor how it is one day going to be.

1. Death is our _____

- What went wrong? (Genesis 2-3)
- Can we avoid death? (Hebrews 9:27)
- What is Jesus' purpose regarding death? (I John 3:8)

2. Jesus is our _____ over death (John 11)

- He _____ for God's timing, verses 4-6
- He wanted us to _____
 - His purpose (v.15):
 - His promise (v. 25, 40):
 - His prayer (v. 42):
- He wept showing God's _____, vv 31-38
- He boldly announced _____ over _____, v. 25, 43

Our Response: "Can I trust Him with my eternity?" I Corinthians 15
