

**Sermon Series: The Promises of God
Unshakeable!
Matthew 7:24-27, I John 2:18-27**

Do you see stability or instability in the world around you?

Jesus' promise in Matthew 7:24-27:

- What is the difference between the two builders?
- What did Jesus say we need to do to "build our life on the rock?"

Core truth: Abiding in Jesus makes us unshakeable!

- How can we live "unshakeable" lives?
- John later wrote in I John 2:18-27, about how we can claim Jesus' promise:

I. Know the _____, v.18

- What do these days look like?
- People will increasingly be against _____
- What keeps us unshakeable during this?

II. Know the _____, verses 19, 22-23

- They departed from the faith, v.19
- They denied the _____, v. 22
- John's blunt judgment, v.23

III. Know the _____, v. 20, 24-27

- What do we have? v. 20
- What must we do? v. 24, 27
- What is the promise? v. 25

For reflection:

**Is your life built on Jesus' rock?
Are you unshakeable?**
